**Evidence of Coverage Rider
for People Who Get Extra Help Paying for Prescription Drugs
(also called a Low Income Subsidy Rider or LIS Rider)**

Please keep this notice - it is part of CenterLight Healthcare DIRECT's Evidence of Coverage.

Our records show that you qualify for extra help paying for your prescription drug coverage. This means that you will get help paying your monthly premium, yearly deductible, and prescription drug cost sharing.

As a member of our Plan, you will receive the same coverage as someone who is not getting extra help. Your membership in our Plan will not be affected by the extra help. This also means that you must follow all the rules and procedures in the Evidence of Coverage.

Please see the chart below for a description of your prescription drug coverage:

Your monthly plan premium is	Your yearly deductible is	Your cost sharing amount for generic/preferred multi-source drugs is no more than	Your cost sharing amount for all other drugs is no more than
\$36.60	\$0	\$0	\$0

* The monthly plan premium does not include any Medicare Part B premium that you may still need to pay. The plan premium you pay has been calculated based on the Plan's premium and the amount of extra help you get.

Please refer to your Evidence of Coverage for more information on paying your plan premium.

If your co-insurance is 15% or less, the amount you pay per prescription may vary each time you fill a prescription.

In addition, if the co-payment amount listed in the Evidence of Coverage is less than the amount listed above, you will pay the co-payment amount listed in the Evidence of Coverage. For example, if the 15% co-insurance for a generic drug is \$7.50 and the Evidence of Coverage states that the co-payment for a generic drug is \$5, you will pay \$5 for your generic drugs.

Once the amount both you **and** Medicare pay (as the extra help) reaches \$6,350 in a year, your co-payment amount(s) will go down to \$0 per prescription/\$0 for generic and preferred brand drugs that are multi-source, or \$0 for all others.

Medicare or Social Security will periodically review your eligibility to make sure that you still qualify for extra help with your Medicare prescription drug plan costs. Your eligibility for extra help might change if there is a change in your income or resources, if you get married or become single, or you lose Medicaid.
